

Little Grandma's Cranberry Sauce

ingredients:

- 1 cup sugar
- 1 cup water
- 1 12-ounce package Ocean Spray® Fresh or Frozen Cranberries

directions:

- Combine sugar and water in a medium saucepan. Bring to a boil; add cranberries, return to a boil. Reduce heat and boil gently for 10 minutes, stirring occasionally.
- Place a wire mesh strainer over a medium mixing bowl. Pour contents of saucepan into strainer or food mill. Mash cranberries with the back of a spoon, frequently scraping the outside of the strainer, until no pulp is left.
- Stir contents of bowl. Pour into serving container. Cover and cool completely at room temperature. Refrigerate until serving time.
